Continue to pray for Cristian as he completes his work trip translating and teaching

Pray for Otoniel & Sarai as they minister in nearby communities

Romans 12:15 "Rejoice with those who rejoice, weep with those who weep"... This past weekend Cliff & Judy's son and family lost everything in a wildfire, thankfully they survived. A gofundme has been created:

When fear knocks on the door of your life, let faith answer!

We had 22 teachers sleeping on the floor of the school to help prepare the kids for exams!

falling.
if we only knew then what we know now, that love conquers everything, that faith can move mountains, that good things happen to bad people and bad things happen to good people, that loud doesn't mean strong and quiet doesn't mean weak, that closed hearts are often hurt hearts that have yet to unfold, that silence can be both beautiful and terrifying, that healing takes time and time moves both quickly and unbearably slowly, that one step in any direction can change the course of your life forever, that bias is sometimes just loving what you already have rather than wanting what you wish you had, that you will have days where you feel on top of the world and days where you feel like you have hit rock bottom, and that rising from the ashes requires going through the flames, and that falling was part of it all.

Free English classes were offered throughout July, Monday through Friday, from 9:00 am to 1:00 pm

As the school principal, my goal has never been to be above anyone else; I have always tried to be at everyone's service. Today, we conclude another school year working alongside a great group of teachers. I take no credit for this; it is all thanks to God, first and foremost. I also want you to know that seeing the children succeed today is the reward for the hard work of each member of the church group, and of Larry, for his constant supervision of this project. When I look at every single member of this team, all I see is a giant heart full of generosity. Congratulations to all of you who made this project possible! I feel deeply satisfied because you are always there for this cause.

Thank you, and God bless you.

**A highlight of the year
Graduation Day!**

On July 28th, we finalized another agreement with ICEP University. I want to give special recognition to Dr. Maradi Espino Díaz, who consistently excels in her impeccable management, high academic performance, and above all, in guiding each project with strong values, principles, and a profound sense of justice. A true pillar in this achievement! 🙌✨ My gratitude also goes to the entire management team: Lic. Viridiana Magaña, Lic. Carlos, and Lic. César for their invaluable support. I thank God for the Emanuel Church of Ixtapa, whose daily efforts allow the children of Altavista Manitoba School and others to continue their studies. Today, every sacrifice made by contributors and students has been worthwhile. It wasn't easy, but it was achieved thanks to God, the church, and ICEP's complete commitment. Blessings to all! Another one for education. 🎓🙏
